### Soaring into the Second Semester

West Central High School kicked off the second semester with spirit and enthusiasm.

Mr. Atkinson, the school's principal, addressed the entire student body. Reminding them that school is a tool to help them attain future goals, Mr. Atkinson discussed the opportunities provided via the Confluence Campus and encouraged students to take advantage of those opportunities.

Guidance Counsellors, Mr. Zuber and Mrs. Hamilton, thanked students for coming over the past two weeks and making the transition into the second semester very smooth. While encouraging students to make appointments to meet with them to discuss career planning and course selection, they reminded students of the wide range of scholarships available for their post-secondary education.

Perhaps a highlight for the students, an introduction to the school's new mascots, Reb and Elle, complete with music, cheering and t-shirt give-aways followed by an exciting bum bobsledding competition completed the afternoon's assembly.

Students prepared, in groups of four, to bobsled - bum style - across the gym in celebration of the upcoming Olympics.
