# Combined 3-Year Education Plan and Annual Education Results Report (AERR) for Condor Elementary School – Wild Rose SD

## Introduction : Essential Information About the School

### Demographic Overview

Condor School is a small, rural school in the west-central community of Condor, Alberta. This well established farming community dates back to World War 1, and displays a tight community bond which brings family and friends together for social events, caring charitable support, school and community sports functions, and other common purposes.

Condor School, within Wild Rose Public School Division, provides a positive educational learning environment to 160 students, including students ranging from PreK to grade 7. We have several special needs students ranging in needs from behavioral and speech support to a medically assisted needs student. Due to the size and location of our school we have very limited resources in the areas of drama and music. Condor School offers a range of programs as well a great small town family and caring atmosphere.

Student learning is a priority. We have an on- site playschool that serves both our community, and that of Leslieville, which is about 10 kilometres away.

### Our “New” Mission Statement

Condor School is a “positive” learning environment that empowers students to succeed academically, physically, creatively, emotionally and socially.

### Vision

Condor School is committed to:

- implementing best practices for instruction and assessment
- encouraging opportunity for purpose, hope and dignity for our students and school community in all areas of learning and experience
- fostering deeper intellectual engagement within our students
- providing instruction and modelling of positive character qualities with our students
- celebrating individual and collective achievement
- promoting collaborative relationships within the extended community
- developing and demonstrating leadership roles within the school community
- maintaining purposeful, open and interactive communication by building a foundation of trust and hope.

### Values

Modelling and promoting behaviours that:  
recognize all students will learn if they can  
teach to learn the skills that are needed

establish trust in the school community  
honor and support our programs  
instill tolerance and cooperation  
lead to lifelong learning  
establish high standards and expectations for staff and student success

### Program Highlights

Programs integral to our school's success.

Early literacy intervention ELI. Students are flagged early, and supported regularly with multiple interventions to reading fluency and comprehension.

Late literacy intervention LLI. Students in grade 4-7 that are low in reading/ comprehension are given focused intervention and support.

Effective use of Student Support Facilitator. Keeping inclusion of students as a priority, and working directly with teachers to develop IPP's, meet goals and the needs of students.

Effective PPT meetings. These are now held regularly on a monthly basis with one grade at a time. The homeroom teacher, SSF, counsellor/ and or FWW and admin are a part of this process.

CARE program focusing on character education each month.

Integration of technology into daily learning (Smart boards, boogieboards, I pads, Chromebooks)

Roots of Empathy program.

Effective utilization of Family Wellness Worker and School Counsellor.

SMART learning processes and engaging lessons in all classrooms.

Focus on deeper intellectual engagement.

Collaboration work with colleagues within Condor School and collaboration with colleagues from other schools within Wild Rose Public School Division.

Focus on healthy living for all students, (Physically, Emotionally, Mentally)

### Challenges

Small school environment, means arranging collaboration opportunities with same grade level more difficult.

Change in a stable rural environment is slower due to historical factors.

Increased amounts of professional development over the year with a small staff attending, resulted in an increased amount of substitute teachers delivering program. This breaks the consistency of delivery.

Embedded PLT time remains a challenge as with a small staff when one teacher is out, another is teaching their class. Funding has made this impossible this year.

Notes:

1. PAT results are a weighted average of the percent meeting standards (Acceptable, Excellence) on Provincial Achievement Tests. The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 3, 6, 9), Science (Grades 6, 9), French Language Arts (Grades 3, 6, 9), Français (Grades 3, 6, 9).
2. Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Chemistry 30, Physics 30, Biology 30, Science 30.
3. Overall evaluations can only be calculated if both improvement and achievement evaluations are available.
4. The subsequent pages include evaluations for each performance measure. If jurisdictions desire not to present this information for each performance measure in the subsequent pages, please include a reference to this overall summary page for each performance measure.
5. Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).
6. Please note that participation in Diploma Examinations and Grade 9 Provincial Achievement Tests was impacted by the flooding in June 2013. Caution should be used when interpreting trends over time for the province and those school authorities affected by the floods.

Measure Evaluation Reference

**Achievement Evaluation**

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
Safe and Caring	0.00 - 77.62	77.62 - 81.05	81.05 - 84.50	84.50 - 88.03	88.03 - 100.00

Notes:

- 1) For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
- 2) Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

**Improvement Table**

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

**Overall Evaluation Table**

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

**Category Evaluation**

The category evaluation is an average of the Overall Evaluation of the measures that make up the category. For the purpose of the calculation, consider an Overall Evaluation of Excellent to be 2, Good to be 1, Acceptable to be 0, Issue to be -1, and Concern to be -2. The simple average (mean) of these values rounded to the nearest integer produces the Category Evaluation value. This is converted back to a colour using the same scale above (e.g. 2=Excellent, 1=Good, 0=Intermediate, -1=Issue, -2=Concern)

## Goal One: An excellent start to learning

**Outcome:** *Children are reaching emotional, social, intellectual and physical development milestones and are ready for school.*

- There are no required performance measures for this goal. Schools are encouraged to incorporate early development data available at the local level.

### **Comment on Results**

*(an assessment of progress toward achieving the target)*

Students for the most part are attending pre-school before coming to ECS and have basic social, intellectual and emotional skills required to set them up for success in ECS or Grade 1.

### **Strategies**

*Collaboration between playschool and ECS, grade 1 teachers to pass on student specific knowledge and strategies that work for each individual. Alignment of exiting goals for playschool an entry goals for ECS.*

Outcome: *Students demonstrate proficiency in literacy and numeracy.*

Performance Measure	Results (in percentages)					Target	Evaluation			Targets		
	2009	2010	2011	2012	2013	2013	Achievement	Improvement	Overall	2014	2015	2016
Overall percentage of students in Grades 3, 6 and 9 who achieved the acceptable standard on Provincial Achievement Tests (overall cohort results).	76.4	84.5	87.5	79.3	83.6		Intermediate	Maintained	Acceptable			
Overall percentage of students in Grades 3, 6 and 9 who achieved the standard of excellence on Provincial Achievement Tests (overall cohort results).	5.5	8.6	12.5	6.9	14.8		Intermediate	Maintained	Acceptable			

**Comment on Results**

*(an assessment of progress toward achieving the target)*

Results seem to be good in the acceptable category, but very weak in the excellence category.

**Strategies**

Condor School students will continue to display strong reading and writing skills and will show at least one grade level of growth by the end of the school year. ELI and LLI interventions will bring students along at least 4+ Reading letter grades through the year. Math across the grades will be taught in an interactive Inquiry based and problem solving based method to increase student understanding and PAT results. Manipulative and SMART techniques will be used to incorporate REAL WORLD understanding into math.

Notes:

1. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 3, 6, 9), Science (Grades 6, 9), French Language Arts (Grades 3, 6, 9), Français (Grades 3, 6, 9). The percentages achieving the acceptable standard include the percentages achieving the standard of excellence.
2. Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).
3. Please note that participation in Grade 9 Provincial Achievement Tests was substantially impacted by the flooding in June 2013. Caution should be used when interpreting trends over time for the province and those school authorities affected by the floods.

Outcome: *Students demonstrate citizenship and entrepreneurship.*

Performance Measure	Results (in percentages)					Target 2013	Evaluation			Targets		
	2009	2010	2011	2012	2013		Achievement	Improvement	Overall	2014	2015	2016
Percentage of teachers, parents and students who are satisfied that students model the characteristics of active citizenship.	92.0	84.9	80.9	82.2	85.8		Very High	Maintained	Excellent			
Percentage of teachers and parents who agree that students are taught attitudes and behaviours that will make them successful at work when they finish school.	75.0	74.3	64.3	75.0	77.8		High	Maintained	Good			

**Comment on Results**

*(an assessment of progress toward achieving the target)*

All stakeholders seem to feel that that students are taught attitudes and behaviours that will make them successful at work when they finish school

**Strategies**

Continue the programs that are working and continue to enrich student's education with guest presentations from all areas of life and rich curriculum driven field trips.

Note: Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).

**Goal Three: Quality teaching and school leadership**

*Outcome: Teacher preparation and professional growth focus on the competencies needed to help students learn. Effective learning and teaching is achieved through collaborative leadership.*

Performance Measure	Results (in percentages)					Target	Evaluation			Targets		
	2009	2010	2011	2012	2013	2013	Achievement	Improvement	Overall	2014	2015	2016
Percentage of teachers, parents and students satisfied with the opportunity for students to receive a broad program of studies including fine arts, career, technology, and health and physical education.	66.5	68.2	62.2	72.8	74.2		Intermediate	Maintained	Acceptable			

**Comment on Results**

*(an assessment of progress toward achieving the target)*

*For a small school, these results are good, and show that school initiatives over the past 5 years have been working.*

**Strategies**

***Continue to offer the programs that are currently in place and supplement them with culture and arts presentations and guest groups. Bring "playground activity leaders program" into our school to offer more availability to physical activities and collaborative. Add archery equipment and program to our offerings.***

Note: Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).

## Goal Four: Engaged and effective governance

*Outcome: The education system demonstrates collaboration and engagement.*

Performance Measure	Results (in percentages)					Target	Evaluation			Targets		
	2009	2010	2011	2012	2013	2013	Achievement	Improvement	Overall	2014	2015	2016
Percentage of teachers and parents satisfied with parental involvement in decisions about their child's education.	76.2	70.7	52.2	60.8	85.5		Very High	Improved	Excellent			
Percentage of teachers, parents and students satisfied with the overall quality of basic education.	94.4	88.0	91.8	85.6	91.5		Very High	Maintained	Excellent			

### Comment on Results

*(an assessment of progress toward achieving the target)*

A concerted effort was put towards making parents more informed and more involved in decision making over this past year. Results clearly show that the strategies implemented are working.

### Strategies

***Frequent news home about positives that are occurring in the school and with our students. (Newsletters, phone calls, web site). Provide Parent Council with information and input on most school decisions (where appropriate). Show a strong interest and involvement in the community.***

Note: Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).

**Outcome:** *Students and communities have access to safe and healthy learning environments.*

Performance Measure	Results (in percentages)					Target	Evaluation			Targets		
	2009	2010	2011	2012	2013	2013	Achievement	Improvement	Overall	2014	2015	2016
Percentage of teacher, parent and student agreement that: students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school.	93.6	92.7	91.8	88.8	88.4		Very High	Maintained	Excellent			
Percentage of teachers, parents and students indicating that their school and schools in their jurisdiction have improved or stayed the same the last three years.	82.7	81.8	81.4	69.0	76.8		High	Maintained	Good			

**Comment on Results**

*(an assessment of progress toward achieving the target)*

Condor school is a small school where all kids are known by name by all teachers in the building. Safety and a sense of belonging is strong in our school and due to small student populations, bullying issues are easy to identify and deal with.

**Strategies**

***Continue character building assemblies once a month and “bucket Filling classroom creeds”. Teach students through all classes as well as health, how to be good citizens and treat each other with respect. Know each child as an individual and make time to listen to their story. Demonstrate leadership through our older grades.***

Note: Data values have been suppressed where the number of students or respondents is less than 6. Suppression is marked with an asterisk (\*).

**Measure Evaluation Reference - Achievement Evaluation**

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the 3 year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th, and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the 5 achievement evaluation levels for each measure.

Notes:

The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.

Achievement Evaluation is not calculated for courses that do not have sufficient data available, either due to too few jurisdictions offering the course or because of changes in tests.

**Improvement Table**

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the 5 improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

**Overall Evaluation Table**

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.
