Our Vision

Wild Rose School Division is actively working to transform the system to better meet the needs of today's and tomorrow's students. This means rethinking teaching, assessing, reporting, and, indeed, learning.

To support this work, the Division boasts one of the most extensive and innovative professional development models, and one of the most advanced technology backbones in the province. It is our intent to provide **all** students with a learning experience that will equip them to take their places in the civil, democratic communities of tomorrow.
